JLU YOUTH CLUBS (JYCS)

JLU Youth Clubs (JYCs) are made to address the interests and needs of Students' physical fitness, mental clarity, and emotional stability. JYC is responsible for making sure that students are involved in extracurricular activities after their academic sessions. These clubs are student led with the support of faculty mentor(s).

JYCs are run by the Communications Team at JLU.

The clubs have monthly activity calendar that is public on the website <https://jlu.edu.in/youthclubs> At the end of the academic year, university awards the most active club and its members for its innovative and engaging events based on number of events, student engagement level and overall quality of these events.

Also, since it is a student led initiative, students at JLU will hold three positions within the club i.e. President, Vice President and Treasurer. The election information for the year can be collected from the respective mentors of the club.
